

Map of Hanalei Town

The Kobayashi Family Beach Houses on the beach are located at the West end of Weke Road on the Bay just after Anae Road. The Beach Houses on Kuhio Highway are just after the Hanalei Inn on the ocean side & just before Anae Road.

Ha'ena, Wainiha, Tunnels and Ke'e Beaches are to the left on Kuhio Highway. Princeville Health Club and golf courses, 'Anini, the Kilauea Lighthouse, and the rest of the island are to the right on Kuhio Highway.

Hanalei Town fronts about 1/4 of Hanalei Bay from Hanalei River to just past the middle of the bay. Shopping & restaurants are on Kuhio Highway, roughly between the Hanalei River and Malolo Road. Surfers paddle out to surf Hanalei from Black Pot. The boats anchor in the bay by the pier in the summer. Pinetrees surf spot is between Hee Road and Anae Road. Volleyball is currently set up to the East of Anae Road. The Pavillion is good for children & beginner ocean goers in the summer.

You will be at the quiet end of town. The beach to left of us is usually just walkers and fishermen. If you pass a one lane cement bridge you have gone too far!
