November 18-25TH	Hanalei Moon Cottage - (Super lil' place on-da-beach)
<p>Wanted a place in HI where we could spend time with our 2yr old daughter - we found it here! She (we) loved the spacious yard where we could run-run-run all the way to the beach - except the spot with the tiny pinecones on the ground ooh-duck, then onto the sand and straight for the surf. Water, sun, sand and a great new friend "K'Nuckles" from down the beach. Gorgeous views from mountains-to-sea. Could not ask for better - will be back with our "3" yr. old, then "4", .....</p> <p>Fred, Sarah &amp; Ana Marie Costa Mesa CA</p>
