

We love Hanalei!

OCTOBER 2004

We live on Maui, which is a beautiful place too - but coming here is such a getaway - there just is no place like Hanalei!! Surf for my husband, volleyball & visiting old friends for me - plus hours of watching & listening to the ocean - what could be better?! Thanks for having this wonderful place & allowing us to stay here - I don't want to leave, but I do want to come back!!
