Policies

House Rules	You agree to abide by the specific house rules found inside the house. You agree to have no pets, shoes or smoking inside or cigarette refuse in the yard, no re-arranging furniture, quiet after 10 PM. At check out: turn off lights, etc. & leave no dirty dishes or trash. Main rule; have a good time!
Security Deposits	The security deposit is held to cover any additional cleaning needed and is credited back to your card after you check out in good order, usually 2 weeks following your departure.
Check Out & Late Check Outs	<p>Check out is at 10 AM. We have folks coming & going on the same day so we need time to clean.</p> <p>→If you really want to stay until the evening because you have a late flight out and you'd like to enjoy a last day at the beach, shower, eat and pack, we suggest you rent the house for an extra day since then you may leave whenever you want. The next guest cannot check in if you will be in it late.</p> <p>→If you would like to stay late, but it is not critical to you, and you don't want to pay for an extra day, we will try to accommodate you. Let us know before you come and again a couple of days before you are due to check out and if no else one has booked the night of the date of your check out, and the housekeeper can accommodate the change, you may stay late. There is an additional charge for the day use plus tax.</p>
Entry Info	You will be emailed the specific directions and a lock box number for the key when we receive your final payment and rental agreement. You may check in any time after 3 P.M. There is a charge for lost keys & entry assistance.
Cancellation & Act of God or Nature	<p>In the event of a cancelation, no money will be refunded.</p> <p>You may purchase vacation rental travel insurance, which is strongly recommended. We do not refund any money for vacation time missed because of weather related incidents such as but not limited to road closures due to flooding, blockage etc. or storms/hurricanes.</p>
Extra Guests	Each house has a standard occupancy set by the owner but some of the houses can accommodate extra guests. There is an extra guest charge, per guest, per night.
Long Stays (over 2weeks) & Multiple Houses	<ul style="list-style-type: none"> • If you will be staying longer than 2 weeks, you will be required to have mid stay cleans. 15 nights will require one mid stay clean, 22 nights will require 2 mid stay cleans, 29 nights will require 3 mid stay cleans. You will be charged \$30/hour. You will arrange the time and payment directly with the house keeper after you arrive. These mid-stay cleans are separate from the usual out-cleans which occur after our guests leave which fee is collected up front. • If you are renting more than 1 house, you are responsible for leaving everything in the house where it started. Items removed from one house and left in another will inconvenience future guests, in addition, the houses have different owners. You will be charged if we have to sort out rearranged items from various houses.
