Policies

House Rules	<p><u>You agree to abide by the specific house rules found inside the house.</u> You agree to have no pets, shoes or smoking inside or cigarette refuse in the yard, no re-arranging furniture, quiet after 10 PM. At check out: turn off lights, etc. & leave no dirty dishes or trash. Main rule; have a good time!</p>
Security Deposits & Damage Waiver Protection	<p>The security deposit is to offset any damage, loss or additional cleaning needed and is credited back to your card after you check out in good order, usually the 1st week each month following your departure. Any checks are returned to the name and address on the rental contract. It is your responsibility to let us know if your address changes. You can avoid the security deposit outlay by purchasing damage protection waiver.</p> <p>Damage protection waiver: <u>The Damage protection waiver is designed to cover unintentional damages to the rental unit interior that occur during your stay provided they are disclosed to management prior to or right after check-out by you or the cleaners.</u> There is a maximum coverage of \$1000. <u>Any damages that exceed \$1000 or are not covered, such as excessive cleaning, will be charged to the credit card on file.</u></p>
Check Out & Late Check Outs	<p>Check out is at 10 AM. We have folks coming & going on the same day so we need time to clean.</p> <p>→If you really want to stay until the evening because you have a late flight out and you'd like to enjoy a last day at the beach, shower, eat and pack, we suggest you rent the house for an extra day since then you may leave whenever you want. The next guest cannot check in if you will be in it late.</p> <p>→If you would like to stay late, but it is not critical to you, and you don't want to pay for an extra day, we will try to accommodate you. Let us know before you come and again a couple of days before you are due to check out and if no else one has booked the night of the date of your check out, and the housekeeper can accommodate the change, you may stay late. There is an additional charge for the day use plus tax.</p>
Entry Info	<p>You will be emailed the specific directions and a lock box number for the key when we receive your final payment. You may check in any time after 3 P.M. There is a charge for lost keys & entry assistance.</p>
Cancellation & Act of God or Nature	<p><u>If you cancel with more than 60 days notice</u> your money less the cancellation fee will be returned to you. The cancellation fee is 3.5% of payments made plus \$100 or 10% of your total booking cost, whichever is more.</p> <p>→If you cancel within 60 days of your arrival & we are able to re-book the same dates, we will return your money less the cancellation fee. We always try to re-book but the less notice, the smaller the chances. Whatever part of your time we re-book, we will credit to you. What we cannot re-book you will be debited up to the amount of your total money received plus the cancellation fee. If none of your time is re-booked, there will not be an additional cancellation fee.</p> <p>→Our goal is that the owners not lose rent after taking their property off the market while giving you every opportunity to recoup your loss if we are able to rebook the time.</p> <p>Additionally, you may purchase travel insurance, which is strongly recommended. We do not refund any money for vacation time missed because of weather related incidents such as but not limited to road closures due to flooding, blockage etc. or storms/hurricanes.</p>
Extra Guests	<p>Each house has a standard occupancy set by the owner but some of the houses can accommodate extra guests. There is an extra guest charge, per guest, per night.</p>
Long Stays (over 2 weeks) & Multiple Houses	<ul style="list-style-type: none"> • If you will be staying longer than 2 weeks, you will be required to have mid stay cleans. 15 nights will require one mid stay clean, 22 nights will require 2 mid stay cleans, 29 nights will require 3 mid stay cleans. You will be charged by the hour. You will arrange the time and payment directly with the house keeper after you arrive. These mid-stay cleans are separate from the usual out-cleans which occur after our guests leave which fee is collected up front. • If you are renting more than 1 house, you are responsible for leaving everything in the house where it started. Items removed from one house and left in another will inconvenience future guests, in addition, the houses have different owners. You will be charged if we have to sort out rearranged items from various houses.
